

## **Avery Center**

### **Round Rock, Texas**

CobbFendley is providing professional engineering services for this 1,200 acre Public Utility District (PUD) in Round Rock, Texas. The project is home to the Round Rock campuses of Texas State University, Austin Community College and the Texas A&M University Medical School. CobbFendley recently prepared and processed approval of two Preliminary Plans for approximately 120 acres of Mixed-use development land in the PUD.

**Project Size:**

1,200 acres of Mixed-use Planned Unit development

**Completion Date:**

Ongoing
